SPECIAL EVENT PRICING
for
FOUNDATIONS, CHARITIES

SPECIAL EVENT PRICING - To help with fund raising events we are providing the following wines at our “wholesale” price to the organizers of the fund raising events. These prices are only available for wine ordered for the event. The purpose of this is to provide the host the ability to use the wines to promote the wines with the objective to get the guests to purchase the wines at our regular mail order pricing. We strongly recommend that the host build the cost of the wine into their “ticket price”.

ORDERING THE WINES FOR THE EVENT – Please ensure that we receive the order at least 10 working days (2 weeks) prior to an event to give us enough time to process the order and allow us to ship the order via ground service. Payment for the wines can be made by credit card, check or cash.
